on the positive outcomes of classroom justice perceptions by examining students' perceptions of the student-teacher relationship and learning environment in terms of justice and its effect on perceptions of empowerment in the Ghanaian

JUSTICE AND EMPOWERMENT IN THE CLASSROOM:THE SOCIAL

Empowerment is the granting of power to perform duties and create change. To empower youth, therefore, means teaching them about their capacity to control their lives and change society -- to instill a sense of their value. Empower your students through a variety of classroom activities that will focus on these subjects.
