The book has been awarded with , and many others.

[PDF]Fatal Shadows / A Dangerous Thing by Josh Lanyon Book

Fatal Shadows: In the first book Adrien English's best friend is murdered and he is the main suspect. He's being investigated by two detectives, one of them turns out to be a gay (and is in serious denial). The mystery part was a little predictable, but I still was pleasantly surprised that I was kind of wrong in the end. [spoilers removed]. There isn't a lot of romance in this book, if any at all but I didn't expect it because they were just starting to know each other.

review 1: Josh Lanyon is a reliable, interesting, and very skilled mystery writer. I love his characters, of whom Adrian English is only one. Like most mystery fiction nowadays, there's the romantic interest which I suppose is a demand of the publishers since I have never seen where this added anything to the story or the

characters.

Adrien English Mysteries: Fatal Shadows and A Dangerous

Por lo demás, los misterios son bastante meh. Me ha gustado más A Dangerous Thing que Fatal Shadows, claramente porque la relación entre los MC avanza bastante y ya empiezo a ver de qué va a ir el tira y afloja entre ellos. Seguir leyendo la serie, pero sin prisa, no me ha matado.
