Research shows that talking to young people about sex does not encourage them to experiment sexually. It  
also shows that young people who receive comprehensive sexuality education have a lower risk of  
experiencing unplanned pregnancy and are more likely to delay their first sexual experience.

Stay Gold introduced new elements to First Aid Kit's music, such as a 13-piece orchestra. Their previous albums had been produced in such a way that would allow the band to perform with three people on stage; however, these limitations have been lifted to give the band a bigger, more fulfilling sound.
