Gender Politics challenges ideas that we are all either male or female, and gay or straight. It explores the experiences of people who transgress these categories, and the social exclusion that they face. Surya Monro addresses topical debates concerning gender, and looks at different ways of theorising gender pluralism. She explains how gender and sexuality relate to other social ...

fundamentally transformed gender relations in the Canadian political sphere, but also as a reminder of the struggles that have led to certain taken-for-granted elements of citizenship in liberal democracies.

Intersectionality, Citizenship, and Activism

Despite being out-of-date, this book really opens your eyes to the issues surrounding gender and politics. It has introduced me to new concepts and has made me really think about the various sub-topics this book covers. It has also made me realise how blind I have been as a white, middle-class man.
